

I want to say you do a great job keeping up with everyone and planning things. As of now, I will be out of town first weeks in August, but would love to join everyone on one of the lunches.

I have been a widow since 2000 and recently down sized my home. Went from a 2-story walk-out on 20 acres to a one story small yard. I also moved closer to one of my sons. I have 2 granddaughters, ages 17 & 14.

Please note new address & E-mail as I love reading about everyone.

Hope every one has a great "60" reunion.

Dale
