Hi Judy I am so sorry to say we are not going to be able to come..

It is mostly due to the epidemic and us traveling all the way from Florida plus we are keeping our great granddaughter right now and we have had her since February. She is 2 1/2 years old. Her mother was suppose To come and get her the end of this month but got a phone call asking us to keep her until the end of September and we are all she has so we never mind keeping her but the 15 hour trip to Kentucky is just a long ride for her to endure and trying to stay away from people while we are traveling. I am truly disappointed and especially so since it will probably be our last big one. Tell everyone hello from us and if this epidemic ever goes away we will be coming back to Ky for a visit and maybe we will be lucky and be there when you have your monthly luncheons. I would really love to see everyone again..

I want to say to you that you have done an amazing job getting all this together and getting the information out to everyone. You truly are appreciated..❤️👍❤️👍

If you ever come to Florida look us up we have plenty of room and would love to have you.
