

Retired 18 yrs. ago as Region Mgr. with BE Appliances after 39 years of service. My wife Kathleen continues to work in real estate, even at 70 yrs old. We have dabbled in real estate investments, but now I am basically M.A. Mom and play golf. We live on the third hole of the country club community where we reside which makes it real convenient. I have two children from my first marriage; ~~and two children~~. Buck, a physician in Melbourne, Fl. and Karen, manager of a printing business in Wellington, Fl. Buck had two children, Matt and Sara. Sara has treated us to two great granddaughters, Charlotte and Grace. Matt has a 3rd old girl, Olive. I'm not old enough for three great grandkids! Karen has a girl, Riley who is a college student. My current wife is 32 yrs. has a son, Joe, a commercial fisherman in Ft. Lauderdale. He has two sons, Jake 5, and Joey 2. Unfortunately, Jake has been dealing with cancer the past years and breaks our heart! Please keep him in your prayers and my best to all my fellow '60 graduates.
